Testimonials

We've had several excellent experiences working with the Foodeast team for large events we have hosted and team meetings we've held. We choose to use the space at Foodeast as the quality of the spaces is brilliant with lots of natural light, great facilities and all of the technical requirements needed. We have found the environment to be a great place for new thinking and to connect in with some of the businesses that operate out of the offices at Foodeast is a real bonus. We absolutely recommend it for Hawke's Bay businesses and those visiting from out of the region who are inspired to innovate.

Tony Martin, Prevar

We regularly use Foodeast as our preferred off-site meeting venue and they have been excellent to work with. The team are genuinely friendly, well organised and nothing ever feels like a hassle. The Foodeast team have created an environment that is both professional and relaxed and we would happily recommend them to anyone looking for a reliable and well-run venue. **Sally Gallagher, Apollo Foods**
